

D2S@ ADDY ROAD

AFTERNOON SKETCH CLUBS

2017

Sketching My World: The World Around Us

Encouraging kids to look at themselves & their surroundings!

Saturday Afternoon Sketch Clubs, 2:00 - 4:00pm, \$180 for 6 Weeks

Tuesday & Thursday Afternoon Sketch Clubs, 4:00 - 5:30, \$140 for 6 Weeks

(cost includes ALL materials)

In our D2S Sketch Clubs we offer kids the chance to really look at the lines, patterns, forms, structures, spaces and surfaces of the world around them and gain greater experience & understanding of approaches to seeing, interpreting, and visually representing the world in which they live.

Each Sketch Club session is split into 2 parts, 1 dedicated to mediums and technique & 1 dedicated to exploration, experimentation & application of techniques to the composition of a drawing.

Each Term kids will compile and construct a working Sketch Book building a valuable guide and reference.

The 2017 program will move through a series of activities that encourage kids to look at themselves & their surroundings.

The Program will cover:

- Graphite (Pencils, Sticks, Powder, Soluble) - Looking at Tone (including Distance & Perspective)
- Pen & Ink - Looking at Line & Shape
- Charcoal & Conte (Pencils & Sticks) - Looking at Surface & Texture
- Soft & Hard Pastel (Chalk & Oil, Pencils & Sticks) - Looking at Shape & Colour
- Colour Pencil & Water Colour Pencil - Looking at Detail, Colour & Composition
