Saturday Morning Portfolio Development Workshops

10:00am - 12:00pm, \$190 for 6 Weeks

(materials may need to be purchased, in consultation with parents, depending on individual projects)

Our Portfolio Development Program has been designed to run as a series of **Self-Directed Workshops** for students to plan, develop and realise individual work/s or a body of work that can be used as part of a Visual Arts Portfolio or general Drawing Development &/or Studio Practice.

The Workshops run for 2hrs, 10:00am to 12:00pm, for 6 Weeks on Saturday Mornings. These Workshops are aimed at developing and refining participants practical skills while guiding them through the planning, production and realisation of finished work/s.

Each Workshop session will be loosely split into 2 parts, 1 dedicated to exploring mediums and technique & 1 dedicated to either the continuation of work started in the first session **OR** to Self-Directed work/s.

Students will compile a working Process/Sketch Book building a valuable resource guide and reference.
