Sketching My World: The World Around Us

Encouraging us to look at themselves & their surroundings

These Drawing Workshops offer participants the chance to really look at the lines, shapes, patterns, forms, structures, spaces and surfaces of the world around them and gain greater experience & understanding of approaches to seeing, interpreting and representing the world in which they live.

Each Workshop session is split into 2 parts, 1 dedicated to mediums and technique & 1 dedicated to exploration, experimentation & application of techniques to the composition of a drawing.

Each program may use various Drawing Materials & explore various Drawing Techniques, such as:

- Graphite (Pencils, Sticks, Powder, Soluble)
- Fine Liner, Sharpie, Felt & Ink Pens
- Drawing Ink
- Charcoal & Conte (Pencils & Sticks)
- Soft & Hard Pastel (Chalk & Oil, Pencils & Sticks)
- Colour Pencil
- Watercolour Pencil
- Mixed Media Collage
